

Guide to the HMC Projects Online Application

We are delighted that you are applying for a HMC Scholarship. Each candidate applies through a scholarship competition in his or her own country, organised by a HMC Country Coordinator. This document sets out information to help guide you through the online application for HMC Projects Central & Eastern Europe.

We would ask that the first six sections of this application (finishing with Personal Essay) are completed by you (the student), whilst the last two are completed alongside your parents.

You can at any point 'Save & Finish Later', so it is not necessary to complete the application at one time. You can only submit your application once.

Section 1: Country Questions

Country (Please select the country that you are applying through) *

Applying for Academic Year *

I am applying for Grade/Class *

Students awarded a HMC Projects Scholarship join into Year 12.

You will then get a question about the type of scholarship you are applying for.

Prihlášku môžete vyplniť len raz. Pozorne si ju preto pred odoslaním skontrolujte. Nakoľko náš vzdelávací systém má iný počet rokov školskej dochádzky, v prihláške volíte, že sa uchádzate o 12 ročník. HMC očakáva, že absolvujete dva roky štúdia, aj ak ste podľa slovenského systému v inom ako 10. ročníku.

Would you like to add another link? Yes No

Ak odpoviete 'Yes' na otázku "Have you spent more than one month abroad?" budete vyzvaní doplniť kde, kedy a ako dlho.

Na podporu prihlášky viete pridať až 4 linky na webstránky. Zvážte svoje priority.

Poznámka: Po odoslaní prihlášky budete vyzvaní, aby ste poskytli niekoľko rodinných fotografií nahratím do portálu.

Section 6: Personal Essay

Please type your personal essay of between 750-1000 words

This essay is an opportunity to introduce yourself and help us become acquainted with you as a person and as a student. For example, you might wish to tell us about your family and how you spend your "free" time. You could tell us about the activities that you are involved in currently that are most important to you and which activities you would like to continue (or begin for the first time) in a UK school. You might tell us about your specific reasons for wishing to undertake this experience; or who, other than a parent, what person has had the most influence on you and your life?

Response: *

Táto časť prihlášky je veľmi dôležitá. Odporúčam písať esej mimo formulára a potom skopírovať. Pred odoslaním nechajte esej chvíľu "odpočívať" a prípadne ju po pár dňoch doplňte alebo zmeňte.

O kontrolu pravopisu a gramatickej správnosti môžete požiadať učiteľa alebo rodiča, majte však na pamäti, že budete písať ešte jednu esej samostatne a kvalita oboch by mala byť porovnateľná, aby nevznikli pochybnosti o originalite tej prvej. Nepoužívajte preto zložité formulácie alebo slová, ktorých presný význam nepoznáte.
